

The NYS Tribute Foundation is a charitable, non-profit organization dedicated to cultivating a better understanding of death, dying and bereavement issues for all New Yorkers. The NYS Tribute Foundation fulfills its mission by advocating education, research and public policy programs, thus embracing its core values of *charity, knowledge and education*. Your support of the Foundation's efforts benefits individuals and communities across New York State, both in everyday situations and during times of community crisis.

As you look for a unique and memorable way to remember a loved one, mark an occasion, or honor a person, consider a Tribute Gift to NYS Tribute Foundation. Our Tribute Program was established to help you recognize those people who have touched your life in a special way. Choose either a **Gift of Remembrance** or **Gift of Honor and Celebration** as a unique way to honor someone special while demonstrating your belief in the NYS Tribute Foundation's work.

The Gift of Remembrance

Throughout our lives we encounter people who touch our hearts and souls. They change us in many ways and our lives are forever enriched by their presence. When death takes these special people from us, we take comfort in finding a way to honor their lives. By remembering someone with a **Gift of Remembrance** - *a memorial donation made in the name of someone you have lost* - you will formally and perpetually express your esteem for that special person. That person's memory will live on through the valuable work of the NYS Tribute Foundation.

The Gift of Honor and Celebration

A **Gift of Honor and Celebration** is appropriate when you would like to recognize someone you love and respect. Gifts of Honor and Celebration help us express our gratitude for someone's support, encouragement or patronage; or help us to recognize an anniversary, birthday or other special event. Gifts of Honor and Celebration are meaningful ways to demonstrate your esteem for that important person in your life and clearly express your admiration, compassion or gratitude.

Whether you are expressing sorrow at the loss of a loved one, appreciation for a special act, or acknowledgment of a distinctive celebration, a Tribute Gift will speak volumes about your regard for the individual being honored.
